If there is one mod that is very popular among all the others, it has to be Keep Craft Mod. This mod makes it so that people keep their objects with them as they try to escape from dungeons. This is a great way for taking back some of the items in dungeons when monsters do not want to give them up. The mod is easily configurable in case you don't want the damage that it can do to your game. It also allows for a lot of new materials in your game and some new recipes. This is one of the most popular mods out there because so many people want to be able to retrieve their items after they have spent a long time gathering them in dungeons or slaying monsters.
